Holiday Shopping Event

Benefiting UC Irvine Diabetes Center

Carrol Boyes, proud supporter of the UC Irvine Diabetes Center, invites guests to enjoy an evening of wine, hors d'oeuvres and shopping. A percentage of the day's sales will be donated back to the Center.

Acclaimed South African designer Carrol Boyes has opened her first West Coast store in Fashion Island Newport Beach, offering innovative, contemporary and often whimsical products for the home, kitchen, office and bath. Using lead-free pewter, stainless steel, aluminum and wood as her palette, the entire line offers lasting functionality and enduring beauty and is perfect for holiday gift-giving. All metal products come with a lifetime warranty.
